

SPOT Business Systems Announces Integrated Credit Card Partnership with TSYS Merchant SolutionsSM

Effective May 1, 2015: Spot Business Systems has named TSYS Merchant Solutions their exclusive payments partner to deliver the industry's most advanced payment technology and security.

The SPOT and TSYS Merchant Solutions exclusive partnership is specifically tailored to provide you:

Technology

- **Assistance with EMV® conversion** in accordance with the 2015 liability shift. In October 2015, fraud liability switches to the merchant, making it essential that SPOT customers utilize EMV-capable hardware. The joint program between SPOT and TSYS Merchant Solutions provides assistance with conversion for the upcoming EMV liability shift protecting both you and your customers.
- Provides solutions for PIN debit and contactless payments, including **Apple Pay™**, **Google Wallet™** and other **NFC functionality**.
- **Greatly reduced PCI compliance** scope via point-to-point encrypted hardware. This encryption and tokenization technology ensures all card data is encrypted at the time of entry and is protected throughout the entire payment process.

Pricing

- TSYS Merchant Solutions will match your current pricing or pay you up to \$500*.

Service

- Dedicated account management team.
- Live 24/7 U.S.-based merchant support.
- TSYS® is a public company whose processing network runs nearly 44 million transactions per day and has a 99.9989%+ uptime.

We understand that your time is valuable and aim to make this transition as smooth as possible for you. Soon you will receive a call from a TSYS Merchant Solutions team member to discuss this program, answer any questions you may have, and assist you in the conversion of your merchant account. However, if you would like to get started sooner, or have immediate questions, please call us at (406) 223-1999, email spot@tsys.com or visit us at www.tsysmerchantsolutions.com/spot.

*Three consecutive months of current statements needed to verify current price. Payouts are calculated on a sliding scale according to the estimated MasterCard® and Visa® transaction volume projected from your three consecutive months processing statements.
