

Ingenico® iWL252

Bluetooth credit card machine

The iWL252 credit card machine is one of the world's smallest all-in-one Bluetooth payment devices combining form, function and security. Its small size makes it easy to hold, while the large, high-contrast, color display is easy to see in any lighting conditions.

Features and Benefits

- Secure, feature-rich portable device
- Accepts EMV®, NFC and contactless payments
- Reinforced, updatable, secure payment acceptance
- High-speed, reliable wireless processing
